

# SKILLS AND DRILLS VOLLEYBALL CLINIC

## K-8<sup>TH</sup> GRADE 6 WEEKS CLINIC

We know how important your child is — it's why we've assembled a top-notch staff that can provide specialized training. You're invited to a place where your kids are valued, a place where staff build genuine relationships with athletes, and a place where we instruct not only fundamental skills of the sport, but also develop character and sportsmanship.

The athlete will learn the necessary skills from basic to intermediate fundamentals of the sport of volleyball, and how to participate in multiple basic and higher level drills that they will use throughout their years as a volleyball athlete. Your child will also be getting competition and game experience daily at each session. Our instructors will teach athletes about character, fundamentals, hard work, teamwork and how to be a better athlete through the sport of volleyball. We look forward to seeing you at this year's YMCA Skills and Drills Volleyball Clinic!

**About the Coach:** Coach Harshman comes to the Twin Falls area with a high level of volleyball experience in both coaching and as an athlete. She was most recently the Head Volleyball Coach at Colorado Christian University from 2015-2017. Prior to that she coached at her alma mater Grace College from 2007-2015. In 2007 she was the volunteer assistant coach at Notre Dame University.

During her time as a head coach she accumulated a record of 182-146. She has over 15 years of head coaching experience from college to high school varsity and played volleyball in college herself from 1998-2002. She is highly energetic and loves teaching the game of volleyball and developing young athletes into great people through the sport. If you attend this year's clinic plan to learn a lot about the sport, meet many new friends, and become a better teammate along the way!
