The YMCA Afterschool program provides a healthy, creative, educational atmosphere that is designed to keep children in afternoon Kindergarten-5th grades engaged and excited. Participants will be guided through activities that help them learn social responsibility and gain a lifetime of healthy habits. This is all provided in a low student to teacher ratio environment.

Activities include games, healthy snacks, guided recreational activities, homework assistance, swimming twice per week and other fun activities.

The YMCA Afterschool Program is state licensed and ICCP approved.
