FREEDOM PASS & INDEPENDENCE PASS

MAGIC VALLEY YMCA

The **FREEDOM PASS** allows YMCA family members, ages 8-11 years old, limited unsupervised access into the YMCA facility. This includes the Kidnazium, tennis courts, game room, pool, locker rooms, basketball courts, outside play area, lobby, and hallways. This does not include the fitness center or any adult group fitness classes.

Following a successful orientation (along with a parent) and swim test, children between the ages of 8 and 11 years will have access to the above areas without the necessity of having a parent by their side at all times. However, a parent still has to be in the facility.

In order for your child to receive a **FREEDOM PASS** you must sign them up for a **Youth Orientation** at the front desk. You will receive a **Freedom Pass Packet** (parent and child complete it together), attend the **Youth Orientation** with a parent and take a swim test.

The **INDEPENDENCE PASS** allows YMCA family members or youth members 12-17 years old unlimited, unsupervised access into the YMCA facility including the fitness center and all group exercise classes A parent does not have to be in the YMCA facility for **INDEPENDENCE PASS** members.

The process for obtaining an **INDEPENDENCE PASS** is similar to the **FREEDOM PASS**. Sign up you child for a **Youth Orientation**, fill out the **Independence Pass Packet** you received when you registered for the orientation, attend the **Youth Orientation** with a parent and go through a **Fitness Center Orientation**.
