Dear Day Camp Parents,

Welcome to the Magic Valley YMCA Summer Day Camp!! The Summer Day Camp is a safe, fun and active place where children ages; Any child 6 (gone through Kindergarten)- 12 years old are given the opportunity to participate in many supervised activities. Our program is designed to meet the needs of the children in our community and in our YMCA.

We offer a variety of age-appropriate activities, such as: active play, traditional fitness, arts and crafts, recreational swimming, swimming lessons, team sports, board games, group games, outdoor activities, field trips and weekly family cookouts. We also provide your child with a basic, healthy snack every morning and afternoon. There will be a variety of mini-camps offered for various prices.

Our Day Camp program is designed to promote active learning. We use active play to help our "Y" Campers discover, learn and grow. Experiences and activities are selectively planned by our "Y" Center to provide your child with a wide variety of opportunities to discover, learn, grow, and make decisions throughout their stay with us. Our primary goal is to help promote the maximum development of children. That includes their physical, emotional, social, intellectual, creative and spiritual self. We've carefully prepared a developmentally appropriated environment which provides a place for your child to feel significant and successful.

The YMCA, while based on Christian principles and values, is non-discriminatory, accepting children of all faiths and heritages. We promote an anti-biased, multicultural approach to curriculum development where conflict resolution, teamwork and problem solving skills are modeled and taught. Respect for self, others, equipment and the environment are crucial elements of all interactions among children and adults.

The policies and procedures outlined in this booklet have been developed to help define the relationships that exist among children, parents and the YMCA as we work together for the benefit of families. We welcome your comments, concerns and questions and ask you be honest with your information to help us serve you and your child best. It may be necessary to amend or add to the policies described in this handbook. You will be notified of any such changes with a written note available at the parent table. At any time you have questions or concerns about the program, please do not hesitate to call us at (208) 733-4384. ext.112

We look forward to a great summer with you and your child!!

Sincerely,

**Modesta Carllson**

## PROGRAM BASICS

### HOURS AND DAYS OF OPERATION

Magic Valley YMCA Day Camp programming hours are:

Monday – Friday, 7:00 am (**NOT BEFORE**) – 6:00 pm

Day camp will begin May 30 and end August 11. We ask that you have your child(ren) here at the YMCA by 9:00 am. It makes the day easier on your child(ren) and staff programmatically. If you need to drop off your child at a later time, please communicate that to the day camp director ahead of time.

### SIGN IN/SIGN OUT PROCEDURES

The YMCA takes responsibility for your child while he or she is in our care. A daily sign in/out with the Day Camp Staff is required. We require full signatures along with the time in/out. Proper **picture identification** will be required at the beginning of the program and for the designated pickup person who must be on your authorized pick-up list. If a parent or pick-up person knows he/she will be late to pick up the child(ren), please contact the YMCA ASAP. This, however, will not excuse the parent from receiving the appropriate warning or late fee. **There is a \$1.00 per minute late fee per family for pick-ups after 6 pm.** Only those people designated on the pick-up list will be allowed to take the child(ren) from the YMCA. The designated person must be at least 18 years of age. If there is an emergency and someone other than you or a designated person needs to pick up your child(ren), please call us so that we can help you make appropriate arrangements. Please be cooperative in regard to this policy, as it has been designed for the safety of your child.

## **TRUANCY**

In the event that a child leaves the program without permission, the following procedures will be followed:

- The staff will look for the child and notify the parents immediately.
- If parents are not reachable, the police will be called. Following an event when a child runs away, a meeting between the Day Camp Director, CEO and parents will be required before the child may come back into the program.

## **STAFF REQUIREMENTS & QUALIFICATIONS**

The YMCA staff has been chosen on the basis of their maturity, patience, leadership qualities, education and experience. The Day Camp staff have completed the YMCA Staff Training, are certified in CPR and First Aid as well as have completed the Redwood Insurance Child Abuse Prevention Training and a State Background Check.

## **LUNCH/WATER**

A lunch will be provided through the Twin Falls School Dist. Summer Feeding program at Harmon Park located across the street from the YMCA. Send a bottle of water with your child each day. Please label all containers with your child's name.

## **SNACKS**

Healthy snacks are provided in the morning and afternoon. We attempt to avoid serving foods with a high content of fat, sugar and salt. **If your child has any food allergies, they should be clearly noted on his/her registration form.** It is also a good idea to follow up by talking to the Day Camp Director.

## **WHAT TO BRING**

All children should bring their backpack labeled with their name, a bathing suit, towel, spray-on sunscreen, and a water bottle filled with water. Children should wear appropriate clothing for day camp and bring a jacket for cooler mornings and days. **Gym shoes and socks are required; NO SANDALS.** If your child does not come with these basics, he or she will not be able to attend camp.

## **LOST ARTICLES & ITEMS FROM HOME**

The YMCA is not responsible for a child's lost or broken articles. Please remember to label your child's belongings. Children are not allowed to bring possessions from home (i.e. – toys, action figures, dolls, trading cards, cell phones, electronic games, etc.). They will be asked to put them away if they do.

## **CELL PHONE POLICY**

**NO CELL PHONES ALLOWED.** Children are not allowed to make or receive phone calls. Please call the Day Camp Director if you are in need of communication. 733-4384, ext. 108.

# HEALTH & SAFETY

## INSURANCE

The YMCA does not offer any type of insurance for purchase. Medical expenses, which could result while the child is at the program, will be the responsibility of the parent.

## MEDICAL FORM

A parent permission form must be signed in order to authorize release of a copy of your child's medical form to the YMCA.

## ILL CHILD PROCEDURES

1. For the protection of all children, your child must be kept at home or will be sent home if he/she shows any of the following symptoms:
  - A. A temperature
  - B. Intestinal disturbance, accompanied by diarrhea or vomiting
  - C. Any undiagnosed rash
  - D. Sore or discharging eyes or ears
  - E. Profuse nasal discharge (green or yellow)
2. Please keep children with active colds at home. Communicable diseases, such as chickenpox, etc., should be reported to the YMCA immediately. A doctor's signed explanation is required to reenter a child because of contagious or communicable illness.
3. If any child becomes ill at the program, the following action will be taken:
  - A. He/she will be isolated under the care of a staff person
  - B. The parent will be notified at once to pick up the child
  - C. If the parent cannot be reached, the emergency names will be contacted
  - D. If the situation demands, your family doctor will be contacted for prompt care.
4. Your cooperation with this policy is important. Just as you would not want your child in contact with a child who is ill, please respect other children's health and keep your child home when he/she is ill.
5. If a child is well enough to be in our facility, he/she is considered well enough to participate in full class activities, including outdoor play and swimming.

## INJURIES

1. While at the program, if a child receives a superficial wound or injury (bumps, bruises, cuts, scratches, splinters, nose bleeds) the staff will administer first aid. The staff will complete an accident report. The parent will be informed of the injury at the time of pick-up and asked to review and sign the accident report.
2. If a serious injury occurs during program hours, the staff will contact the parent. The staff will remain with the child until the parent arrives.
3. For the injury or illness that requires emergency medical attention:
  - 911 will be called and the child will be taken to the nearest hospital for treatment
  - A staff member will accompany the child
  - The parent will be contacted immediately after the ambulance has been called
  - If the parent cannot be reached, the emergency contacts will be called
  - If the emergency names cannot be reached, the YMCA staff will secure emergency medical care agreed upon in writing prior to enrollment

- A written report of accidents requiring a doctor or ambulance will be provided in triplicate – one copy to the parent, one copy for the program, and one copy in reserve if needed for the insurance company

## **MEDICATION**

Medication will be administered by assigned staff and only under the following conditions:

- Prescribed medication or nonprescription drugs must under the doctor's orders
- The medication must be in its original container
- The label must bear the child's name, directions for administering the medication, date, dosage, and doctor's name
- A medication form must be completed and signed by the parent before medication can be administered. See a staff member for medication form.

## **SUNSCREEN LOTION**

We are outside in the sun and outside swimming on an ongoing basis. Please put suntan lotion on your child before dropping them off at camp. Please put a bottle of spray-on sunscreen in your child's bag, labeled with their name. We will encourage your child to put on sunscreen all day, and we will assist as long as you provide the sunscreen. Please keep in mind that your child will go through more than one bottle of sunscreen in a summer for camp.

## **GUIDANCE & DISCIPLINE**

It is the goal of the YMCA to guide children in being happy, responsible, cooperative participants through positive, respectful teaching techniques. The staff works to increase children's respect for themselves by guiding them to become responsible for their own actions and help them grow in their respect for the rights and feelings of others.

Our commitment is to make reasonable accommodations to meet the needs of each child. Based on our goal of working in partnership with parents to keep each child safe and happy in our program, we will be honest and respectful in communicating with parents about their children. At the same time, the YMCA expects the full cooperation of parents to ensure that any plan developed to support the child in the program will be successful.

Discipline shall not damage the child's self-image, or embarrass the child who is being disciplined. When possible, the child who is being disciplined shall contribute to resolving the conflict with whom he/she was involved. Whenever possible, logical and natural consequences will be used as a format for discipline. Only staff shall carry out any disciplinary action, not volunteers, observers, or other children.

Staff will document information related to the child's ability to function within the program, noting factors that seem to contribute to the child's success, as well as areas of concern. The YMCA will make reasonable adjustments to accommodate the child's needs. A plan will be developed when specific accommodations are to be made by the program. This plan will also outline indicators of success for the child.

The following factors shall contribute to good behavior management:

- |                                  |                                      |
|----------------------------------|--------------------------------------|
| 1. Modeling by adults            | 6. Redirection of children           |
| 2. Site environment              | 7. Setting clear limits              |
| 3. Planned activities            | 8. Development of child's self-image |
| 4. Related curriculum            | 9. Prohibited punishments            |
| 5. Ongoing scheduled evaluations |                                      |

A serious behavior problem is defined as one in which a child is hampering the smooth flow of the program requiring an extraordinary amount of attention: is inflicting physical or emotional harm on self or others: or otherwise unable to conform to the rules and guidelines of the program.

Depending on the individual child and the circumstances, a variety of disciplinary measures are to be considered:

- Ignoring may be an effective strategy for minor misbehavior, or for attention-seeking behavior that does not interfere with or harm others
- Logical consequences, which may include repairing the damage or apologizing (if genuine)
- Re-direction to a different activity or area
- Review of program rules
- Negotiation and mediation, especially in conflicts between children
- Discussion, including reflective listening
- A brief separation from the group
- Written behavior journals
- Behavior contract, outlining both what the staff can do to help the child and what the child can do to improve behavior
- Termination from the program

## **DISCHARGE POLICY**

### **YMCA DISCHARGE**

The YMCA tries to meet the needs of each child enrolled in our program. We make every effort to communicate and work with the parent if there are concerns. However, the YMCA reserves the right to terminate enrollment of a child. The decision to terminate a child's enrollment may fall into different categories.

1. In the event that the YMCA and the parents agree that the placement of child is inappropriate and/or not in the best interest of the child, the written notification will be waived and the withdrawal date can be set.
2. In the event that the parent and the YMCA staff are unable to come to a mutually acceptable course of action after identifying and processing a concern, the YMCA reserves the right to terminate the enrollment of the child. Every effort shall be made to work with the child and the family to avoid termination. Termination will occur as a last resort.
3. The YMCA reserves the right to terminate enrollment for one or more of the following reasons:
  - A. The program does not meet the needs of the child. Factors considered in this decision may include:
    - Consistent problematic and disruptive behavior
    - Extra demands on staff time
    - Behavior detrimental emotionally or physically to the others in the program
    - Child cannot adjust to the program's environment
  - B. A parent fails to meet their obligations as set forth by the YMCA, including but not limited to the following reasons:
    - Nonpayment or persistent late payment of fees
    - Failure to comply with the procedures for arrival and departure of the child
    - Physical or verbal abuse of children or staff by the parent
    - Disrespect for policies and procedures of the day camp program

## TUITION AND PAYMENT SCHEDULE

1. Registration form and \$35.00 non-refundable registration fee.
2. Payment for each week your child attends camp is due **THURSDAY** for the following week. A **late fee** of \$10 will be assessed if payment is received **after Thursday**, and your child may **not** attend camp until payments are complete.
3. Fees:
  - YMCA members: \$79.00 per week
  - \$30.00 one day
  - Community: \$99.00 per week
  - \$40.00 one day10% discount of the full price on Summer Day Camp program for additional children from the same family. All registration, deposits and forms are due before the child attends. A child must enroll **at least 24 hours** in advance of requested time and there must be an opening. **NO** same day registrations are allowed.
4. **Any NSF checks or returns will result in a \$25.00 charge per check.**
5. **No fee adjustments will be made for absences due to illness, vacation or your choice of child not attending.**
6. **If your child is picked up after 6:00 pm., a late fee of \$1.00 per minute per family will be charged.** This late payment is due before your child can attend the program again. If you are running even a couple minutes late, please contact us ASAP. This, however does not excuse you from the late fee.

Financial Assistance is available to qualified individuals. If you have a financial need, please contact the YMCA so we can help you. You **MUST** have been denied ICCP financial assistance and submit the denial letter to apply. This program is funded by our Strong Kids Campaign. We will never turn anyone away for their inability to pay full price. Once all the paperwork is in place it may take up to a month to process your information. **Parents are responsible for paying fees until they are notified that their financial help has been approved.**

## PARENTAL INVOLVEMENT AND RESPONSIBILITIES

The staff of the program knows that parents are the first and most important teachers/nurturers. Our job is to work in partnership with the families to ensure the welfare of each child. Our staff will respond professionally to your concerns and questions. We ask that you speak to our staff when they can be responsive, without the responsibility of supervising children. Phone calls are always welcome and will be returned from the staff as soon as possible.

So that we can keep accurate records for the well-being of the children, please keep all important information current: addresses, phone numbers, medical forms, personal histories, and please respond to all requests for information from staff.

There is a parent table located by the main entrance of the Day Camp room. Please be sure to sign in and out there. Please also look for information that we may send you in regards to upcoming events and days off.

## CONFIDENTIALITY AGREEMENT

All information contained within your child's file and all conversation is considered confidential. The program is restricted by law from releasing confidential information on any individual, agency, or school district without first obtaining permission from the parent to do so.

We want to give the best quality care to your child. To do this, there may be times when we may need to seek additional assistance to work with your child. Parent communication will always be our first option when working out a challenge, but if we need additional information, we are providing a Release Form that will enable us to talk with your child's teacher, social worker, nurse or principal.

Should your child be photographed for purposes of display at the YMCA or for publicity you will be given an appropriate release form.

### **STRONG KIDS CAMPAIGN**

At the Magic Valley YMCA "no one is turned away due to inability to pay." To make this possible, the YMCA runs an annual campaign, with the help of many community volunteers. The funds raised through this campaign are used to assist those with documented need, enabling them to participate in YMCA programs.

We are currently in the process of raising funds to help needy families enroll their children in our Summer Day Camp program. If you are in need of this type of assistance or know of someone who would benefit from this type of assistance, please contact our office for further information.

### **CHILD ABUSE / NEGLECT REPORTING PROCEDURES**

Under Idaho State Law, an employee or volunteer at a child care center who knows or has reasonable cause to suspect that a child has been abused or neglected shall immediately contact the county department of social services or human services or a local law enforcement agency. The child care center shall ensure that every employee and volunteer who comes in contact with the children at the child care center has received training in all of the following:

1. Child abuse and neglect law.
2. How to identify children who have been abused or neglected.
3. The process for reporting known or suspected cases of child abuse or neglect.

### Understanding the YMCA Day Camp Philosophy

The Y's cause is to strengthen community through youth development, healthy living and social responsibility. The purpose of day camp, as with every Y program, is to help participants - in this case preschoolers to teens - grow spiritually, mentally, and physically. By using a natural camp site, or incorporating trips to a natural setting, and by providing challenging activities in both small- and large-group settings under the guidance of caring, well-trained staff members, day camp can give children experiences that last a lifetime.

This experience is grounded in a set of seven objectives that the YMCA has for all program participants:

- Grow personally.
- Learn values.
- Improve personal and family relationships.
- Appreciate diversity.
- Become better leaders and supporters.
- Develop specific skills.
- Have fun.

And is based on following the YMCA core values of:

- Caring
- Honesty
- Respect
- Responsibility
