CLASS DESCRIPTIONS

(*Classes/Instructors are subject to change without advance notice*)

CARDIO CLASSES (BLUE)

Cycling– This class is performed on a stationary bicycle. Instructors will guide you through an all-terrain ride while focusing on proper body alignment, heart rate and proper cycling techniques.

Kickboxing - Sport specific techniques of boxing and martial arts are incorporated in this interval-based workout.

TRX - Born in the Navy SEAL. TRX Suspension Training is a unique training tool that allows you to use your own body weight and gravity as resistance. Suspend your disbelief!

Turbokick@- Choreographed sport-specific techniques of boxing and martial arts are incorporated in this interval-based workout. Punching, kicking, footwork, and jump ropes may be utilized.

Zumba@- It is a Latin-inspired dance fitness party. It will have you moving, shaking, and burning calories in no time! Fusing hypnotic Latin and other world rhythms, you'll love every minute of this cardio dance party in disguise!

Zumba Gold@- The same fun class as Zumba but designed for the de-conditioned, prenatal, beginning, and active older adult participants. Come enjoy "exercising" in disguise.

Zumba® **Party** - party with us every 1st Friday of each month. Come dressed up for the theme of the night or not, but be sure to put your "party face on". It will be BLAST!

COMBINATION CLASSES (GREEN)

3-2-1 Drench - In this class, the heart rate is ramp up through strength training for 3 min, peak it through cardio training for 2 min & take an active rest recovery through core training for 1 min. Repeat!

At the Barre- This fun and unique class combines the fluidity of ballet, the flexibility of yoga and the core strengthening of Pilates. It is non-impact, designed to burn calories and to produce lean, sculpted bodies. No dance experience is required and available to all fitness level.

Barre Connect - total body conditioning workout that integrates work across 4 primary training methods (ballet technique, yoga, functional strength, cardio bursts) using complimentary movement principles and performance variables to develop well-designed connection cycles

Circuit Training- The instructor will set up different types of circuits to push both cardio and strength limits.

Fit Start - A low impact class with basic cardio, strength, flexibility and balance exercises. Perfect for those new to group fitness or needing a low impact class.

H.E.A.T. (High Energy Advanced Training) - This intermediate/advances class combines high intensity interval training with muscle conditioning. Come prepared to work hard and be pushed to your highest potential!

Instructor's Choice - No two classes are alike. Get ready for a mixture of interval, strength and cardio to push you to your limit and leave you wanting more! All fitness levels are welcome!

Muscle Madness - Focusing the entire body from head to toe. Hitting all major muscle groups with weights, cardio and other various exercises to get you swimsuit ready year round!

Rev-it-up! -It is a group personalized training system devoted to functional strength. It is a fun and challenging workout that covers both strength training and cardio conditioning.

R.I.P.P.E.D. Weights - Increase strength, metabolic capacity, tone and build lean muscle with this FUN, Ripped full body focus!

Silver Sneakers@- A Healthways fitness program customized for senior adults designed to increase strength, flexibility, balance, and endurance. Fitness, Fun, and Friends!

Triple Challenge - Three dynamite formats packed into one intense class. Cardio bursts may include dynamic step routines, mixed with segments of pure strength training and core strengthening for the total cross training effect. This fun class is something everyone can look forward to!

Zumba Toning@- Zumba Toning takes the original Zumba dance-fitness class to the next level utilizing muscle training protocol and the addition of lightweight toning sticks or dumbbells.

Created to emphasize muscle work along with the rhythms of Zumba!

STRENGTHENING CLASSES (RED)

Gut & Butt, Plus- A conditioning program to firm and strengthen muscles of the entire body, especially focusing on the gut and the butt. Utilizing various equipments & body weight for maximum results

Y Weights- Firm and strengthen muscles of the entire body. This class uses exercises to develop muscle strength and endurance. Utilizing hand weights, bands, balls, bench, and your own body weight

SPIRIT-MIND-BODY CLASSES (PURPLE)

Black Light Yoga- Yoga poses practiced under black lights for a fun and adventurous effect! This class is a mixture of hatha & vinyasa (flow) - poses that link together to work the entire body. Feel free to wear neon or white apparel! Props may be used.

Mid-day Yoga - Warm up-Work- Effective Deep Stretch- Relaxation. It got it all! It is a great way to sneak in a workout if you are having "one of those days". It can get you back on a positive track and "kick start" your mind to focus on the future afternoon tasks at hand.

Morning Bliss Yoga - FREE to the community. This yoga class can get the "juices" flowing! It stretches and strengthens the muscles with a strong focus on breath and body alignment.

Get your "workout" in early, connect with your breath, be mindful and find what feels good for your body. This practice can work as a natural stimulant to set you up for a productive day!

Restorative Yoga - is a delicious way to relax and soothe frayed nerves. This class use bolsters, blankets, and blocks to prop students in passive poses so the body can experience the benefits of a pose without having to exert any effort. It is more rejuvenating than a nap!

PiYo Live - a music-driven, athletic workout inspired by the mind-body practices of Pilates and Yoga that includes flexibility training, strength, conditioning and dynamic moment.

Students of all levels are welcome

Kids / Adult Taekwondo (*at additional fee) - A Korean martial art. It combines combat and self-defense techniques with sport and exercise.

PRESCHOOL FITNESS (YELLOW) Physically and socially developmental classes designed for 18 mo.-6 yrs. and their caregivers.
